Address: _____

Contact Phone: _____ E-mail for billing: _____

Chosen Instructor: _____ Riding Style: _____

List any allergies, medical conditions, physical limitations, learning differences:

Contact Name and Number in case of Emergency: _____

I _____ agree to enroll myself (or my child) in Hunt View Riding Academy monthly lessons subscription with instructor : _____.

I understand I or my child must wear a helmet at all times, I must have a riding waiver and Enrollment agreement signed and submitted, before I may begin lessons. Furthermore, I agree with the class policies stated below and agree to adhere to these policies.

Monthly Riding Class Subscription Policies :

- 1) I understand all students will follow all safety procedures suggested by instructor including having by the first lesson a horse-riding approved helmet, riding boots or a boot with a small heel. No sneakers or open toed shoes will be allowed. I understand bike, ski, or other type of helmet is not allowed to be worn in lessons.
- 2) I will disclose to my instructor any medical or physical concerns that may affect or interfere with riding and the class as a whole.

- 3) I understand by enrolling in the monthly payment subscription I am receiving a discount per lesson compared to the drop in lesson. I understand furthermore, at time of enrollment of the subscription program I am responsible for payment of the next 3 billing invoice cycles (12 weeks), regardless of changes in the student's schedule, student vacations, changes in student's family plans, or illness. I understand and agree that during the first 3 billing cycles a notice of cancellation cannot be submitted. The 30-day written notice of cancelation can be submitted once the 3 billing cycles have passed.
- 4) I understand the monthly subscription consists of 4 consecutive calendar weeks. During these 4 weeks I have 4 riding lessons that can be used at my convenience. I understand the 4 lessons must be used within the 4 calendar weeks.
- 5) I understand that if I subscribe to two lessons per week, I will be paying double the monthly fee.
- 6) I understand the monthly lesson subscription is ongoing and will continue to be billed via a Square invoice until I decide to cancel the subscription with a written 30 calendar day notice. Written Notice can be emailed to huntviewhorsefarm@gmail.com once the first 3 billing cycles of the subscription have passed.
- 7) I understand due to high demand I need to provide at least 24 hours' notice to re-schedule a lesson or the missed lesson will be counted as a lesson having been taken. This is true even in the event of illness or injury or family emergency.
- 8) I understand a no show to a class will mean the class will count as having been taken.
- 9) I understand in case of rain the class will still be held. The class will consist of a barn day where instructor and student will focus on stable management, grooming, horse care, horse biology, horse history and general horsemanship and theory.
- 10) I understand the Extreme Weather Policy which states: " The academy will follow Montgomery County Schools extreme weather cancellation Policy. If lesson is postponed due to extreme weather the lesson will be rescheduled and student will NOT lose the lesson, however the lesson must be used within the 4 calendar weeks. Extreme weather refers only to hurricane warnings, and snow storm warnings.
- 11) I understand the first lesson will be an assessment lesson where instructor will assess horsemanship and riding skills of the student. I understand instructor will then tailor the following lessons based on the observed skills. I understand instructor will not use anecdotal information from parents or from student to tailor the lesson for safety purposes.
- 12) I understand the instructor alone will assign horses for the class for safety purposes. Parents or students may not require or demand a particular horse be used in a lesson.
- 13) I understand that any minor siblings who are not partaking in the lesson need to be supervised by an adult at all times and must have a waiver on file to be allowed on the premises. Sibling must also be dressed appropriately to be in a barn setting or will be asked to leave premises until student pick up time.
- 14) I understand while my child is partaking in the lesson I will not interrupt or direct the instructor's lesson. I understand the lesson program's goal is to provide quality instruction in a no-pressure, kind atmosphere, therefore I will leave all questions and inquiries until the lesson has finished.
- 15) I understand Hunt View Riding Academy instructors have a priority to foster safety, kindness, fun, proper riding technique in a no pressure environment during riding lessons.
